SIR

I have the honour to submit a list of menial servants in Taluk schools, and to request that Government may be pleased to sanction the small increases recommended for them. The complaint in all these cases is that prices have risen very high and it is difficult to secure a really useful and trustworthy servant for Rs 4 or Rs 5. In some of the Taluks of the Chitaldrug District specially, School Masters experience much difficulty in getting good servants for this small

may, as a large portion of the labouring
classes seek employment at the Maw-
-Kanave works since they earn good
wages there. It is the same case with
Moulbagal, which is in close proximity
to the Gold Fields. The Memorial Servants
for whom an increase is recommended
are mainly of these Taluks. I request
that the increase may be sanctioned
and a sum of Rs 228 provided in
the State Fund Budget for 1902-1903

I have the honour to be
Sir

Your most obedient servant

H. Bhabha
